My dear Kitty & Jim

I am just writing a few hurried lines to send by "pack horse mail" for Centenary celebrations bought them for 6^d each (one for you & one for Jean) so did not want to miss sending them but have left it ^{a bit} late, but have been frightfully busy with the wedding, visitors, etc. Have Ada, Kenny & Sylvia Auntie Ellen Uncle Jim & Robbie staying here. Wedding came off nicely. Have gone to Sydney on their honeymoon & are staying with Jean on their way up & are going down Warragul way, ~~on their way~~ home so will be paying you a visit too Kitty. They took our car & we have one borrowed from Lewarkie's Garage.

Will write in a day or so & tell you all about the wedding, went to Fat Show yesterday & may go to celebrations today & see procession. Well Kitty hardly know what I am writing they are having breakfast & all talking about so hope you will excuse this. Love to yourself
Jim & the "bairns" Mum
